FUNDING OPTIONS

IN MORE DETAIL

Our Funding programme is based upon three deciding factors:

financial circumstances

- Those in receipt of means tested benefits
- Low income households

Practical assessment within sessions

- A keen application within classes
- Good behaviour (Adhering to our academy code of conduct - "I am RESPECTFUL - SAFE - READY - GRATEFUL")
- Presentation (Adhering to dress code - leggings/joggers/trainers/tshirt)
- Striving for personal growth

We do not look for "The best performer" when assessing our funded applications. Rather we look for students who show a passion, drive and desire to learn and grow within academy.

Written application

Depending on a child's age we ask for a written application either by the applicant themselves or their parent/guardian expressing why they think they should be considered for the scholarship programme. Children under eight years old should be assisted with their written application.

FULL SCHOLARSHIP:

Our full scholarships offer successful applicants one term's free tuition at The Phoenix Academy. They are available to applicants for one term per year and if successful in their application students will not be able to apply again within twelve months of the last day of their scholarship placement. We do this to ensure that we can offer as many full scholarships as possible to those who apply.

The Scholarship program is awarded based on financial circumstance, written application and practical assessment. Our scholarship program is aimed at personal growth and development - this means scholarships are awarded to those we feel would benefit most from the training we provide within The Phoenix Academy. Students need to have been in attendance of academy for at least seven weeks prior to their scholarship application to ensure a fair assessment of skills and class time application in order to be considered - this includes those already in receipt of bursaries.

BURSARIES/HALF SCHOLARSHIP:

A bursary/Half Scholarship offers students the ability to apply multiple times to our funding program within a twelve month period, meaning students can apply for partial scholarship places consecutively as they train at The Phoenix Academy. Bursaries are awarded based on financial circumstance, written application and practical assessment.

Bursaries/Half Scholarship will be awarded to those who we believe will gain the most from our tuition.

Bursaries/Half Scholarships are offered at 50% of a term's tuition fees of £280.

Once awarded the invoice for the remaining £140 for the term must be cleared within 30 days for the scholarship to be activated.
